THE POTENTATE'S MESSAGE

To the Nobility:

Your officers are most appreciative of the fine support accorded to them at the March Ceremonial. It was their first official function and very much assisted by the manifest interest and close attention of the Nobility in bringing out the dignity of the ritual and making the proper impression on the class of candidates.

We have received so many kind messages in praise of this meeting that we are greatly encouraged. We are grateful to the units that make up the factors of the floor work for it is you, Nobles, they seek to please. To have you satisfied with their efforts is the greatest incentive and inspiration they can possibly have.

At the June meeting the floor work will again be supervised by the Chief Marshal, and all that he, the Directors, and their assistants ask is that you regard them in the same spirit that was sought by the dance hall fiddler in the mining camp days of the Golden West, in his petition expressed by a sign above his music rack. It read: "Don't shoot the fiddler; he's doing his darndest."

We are not begging applause for the boys who work, because they like to work; but just the same the Patrols, the Drum Corps, and the Degree Staff cannot but help liking to know they deliver the sort of goods you like to receive. So, if you see anything to applaud, don't be handcuffed. If you get a laugh, don't strangle it. You'll be surprised how much harder these boys will work with your support.

Some comment was made because the last ceremonial fell on a Saturday night, but let us explain it.

The hall could not be obtained for the customary Friday night, and we thought it better to have the regular March Ceremonial than to pass it up.

It proved O.K. — by a big attendance. It gave many Nobles their first chance in many years to get to a meeting. Everybody cannot come on a Friday — there are a lot of Nobles who live at a distance and Saturday helped them, being a short business day. I guess we can all agree that it would be fair enough to have a Saturday meeting once in a while.

Now that the congenial weather has arrived and the roads are good, might we suggest that the Nobles head their automobiles on some sunny day toward the Shriners' Hospital for Crippled Children at Springfield, Mass.

If you want, Nobles, to see the blessed work you are helping to do, and to "feel" the gratitude that is spoken through the smile of some little kiddie that is going to have a better chance in life, just make this visit.

If God has given you children of your own that are rugged in health and strong in body, the Shriners' Hospital is the place for you to offer up your adulations, and to thank the Lord that you are privileged to be a Shriner and permitted in so small a way to help others of God's children.

By all means go to Springfield.

Some of our Nobles feel the urge of a Club House, a Country Club or a Golf Club. There are no real objections to having any of them when the ways and means are found to finance, regulate, and make them self-supporting.

But we wonder how many ever think of the great club we already have — the club that is found everywhere we go on land and sea and come across a fellow man that wears a Shrine emblem.

This button is a magical sesame that calls for no introduction, establishes acquaintanceship, creates companionship and opens wide the door of friendship.

It is the credential to the Club of Fellowship that requires no exclusive walls to house its members. It exists everywhere that two Shriners meet.

The Shrine emblem carries one obligation, and that is being the real sort of a man that such a fellowship deserves.

Sometime in August we will have the annual summer outing. Just where it will be has not been determined. It is something of a problem to arrange.

We would like to have it at a place, and in a manner that will promote the best interests of Aleppo Temple and be of some benefit to the prerequisite bodies we all support.

Of course there must be a good time and suitable attractions.

Who has a suggestion that will make it above the ordinary outing?

You will want to know that our veteran Recorder, Noble Benjamin W. Rowell, is still putting up a courageous battle with his sickness. May Allah, spare him to us.

Shrine events of interest are:

The Ceremonial of Melha Temple at Springfield, Mass., on May 21st.

The field day and ceremonial of Kora Temple at Old Orchard and Portland, Maine, on June 11.

The 53d Imperial Council meeting at Atlantic City, New Jersey, on June 14, 15, 16.

The 50th Anniversary of Pyramid Temple at Bridgeport, Conn., August 5th and 6th.

The Patrol and Drum Corps of Aleppo Temple have been invited to take part in the field day of Kora Temple and the anniversary of Pyramid Temple.

These are New England events and our uniformed bodies have agreed they can probably do more good for the Shrine at these places than by being one of the many groups at the Imperial Council. They have therefore decided not to go to Atlantic City.

Yours in the true Faith,

Potentate.

EMPLOYMENT

Many Nobles — good men — are asking the good offices of the Shrine to assist them in securing positions.

We want to help them

We should help them.

If you are an employer, or if you know where places are to be obtained, please notify the headquarters office.

NOBLE FRANK W. MORRILL will be in charge of the "bureau" and can be seen at headquarters any day from 10 to 4 o'clock except Saturdays.

RECORDER'S CHAT

WHY DUES SHOULD BE PROMPTLY PAID

No further bother.

It's off your mind for a year.

The Recorder is greatly assisted in his work.

It is your yearly dues that furnish the means to carry on.

Prompt payment means smaller payments. It is much harder to pay delinquent dues than to pay in advance.

Have you paid yours for this year? If not, do it now.

WE HAVE a few of the 1927 PINK CARDS on hand that have not been called for, and we would like to dispose of them. Send in for them; your dues are due.

WHEN WRITING for change of address or paying dues always put your shrine number on your communication; it speeds us up, and you get better service.

A WORD TO THE WISE

A MAJORITY of the Temples now have their initiation fee \$100.00 or more, and that means the increase of the fee in all Temples soon to \$100.00 as a minimum — this may occur at the annual meeting, June 14, 15 and 16, at Atlantic City.

If you have a prospective candidate you might mention the possibility of the advance and have him sign up for our meeting of June 3d. At that time he will receive just as much attention, learn as much and enjoy himself equally as well as though he paid a hundred instead of the \$75.00 it will cost now.

Petitions received at the office until 4.00 P.M., June 3d. After that hour at Mechanics Building until 5.50 P.M.

DUES payable at the office. NO DUES may be received at the Mechanics Building.

IF YOU want to meet a Noble at our ceremonial, we will have *four* of the posts in the Lunch Room marked SPRING — BLAKE — SHACKFORD — MORRISON. Tell him the *time* and *place*, then be there.

NOBLE CHAMBERLAIN, 16 Stoneholm Street, opposite 112 Norway, near Loew State Theatre, says that any Noble on any Meeting Night may use his 600 car Garage at a charge of 25 cents. Safety First.

Since our last ceremonial the Temple
has sustained a great loss by the death of

Noble Eugene A. Holton

for many years a Trustee of the Per-
manent Fund and a valuable member of
the Temple since November 19, 1885.

He was a true and noble character. A
kindly, lovable man in whom friendli-
ness was so natural his friends became
a legion.

His life was one of service to his country;
to his fraternal organizations, especially
Masonry; and to his business associates.

His many virtues should long serve as
an example for all of us to emulate.
